

January 2013

To Whom ever it may concern,

RE - Lightning Strike Ltd - Safe Strike approved contractor

This letter certifies that Lightning Strike Ltd is an approved installer of Safe Strike Lightning Protection systems.

We have worked with Adrian for many years and we are pleased to support him, providing risk assessments and designs for the Safe Strike system.

In terms of feedback from end clients and consultants alike, we have always found Lightning Strike Ltd to be a professional and forward looking company in the industry.

If you require any further information, please contact me on 01926 856653,

Regards,

**JAMES HEATLEY BSc HONS
DIRECTOR**
